

Jorge L. Rivera

UI/UX Designer

 **Address:** Bayamon, Puerto Rico
 **Email:** contact@jorge-ui.tech
 **Website:** jorge-ui.tech
 **Phone:** (787) 969-0254
 **GitHub:** github.com/jorge-ui

Summary

Full-stack web developer specialized in UI/UX design with 2+ years of experience, I aim for web based software solutions and user experience. React.js is my top framework, along with stuff like redux. I'm a self-motivated problem solver and a team player. See my work at jorge-ui.tech
